AUG 25 1964

Mr. James J. Rowley
Chief, U. S. Secret Service
Washington, D. C.

Dear Mr. Rowley:

The report of Special Agent Robert A. Stewart, dated January 15, 1964, at Dallas, Texas, indicated that a search was made of the issues of the Dallas Times Herald and the Dallas Morning News newspapers during the period of September 1, 1963 to and including December 21, 1963 for the purpose of discovering each item appearing in those newspapers during that period relating to the planned visit of President Kennedy to Dallas. The above report, which has been designated Secret Service Control Number 951, also indicates that Agent Stewart removed from the above newspapers articles relating to the Cuban situation.

Would you please advise whether or not the clippings removed from the newspapers by Agent Stewart included all articles relating to the Cuban situation or if he excluded some of them in the process of selection. If some of these articles were excluded by Agent Stewart, would you please review those newspapers again for the period October 1, 1963 through November 22, 1963 and forward to us all items relating to the so-called Cuban situation?

Your cooperation in the work of this Commission is greatly appreciated.

Sincerely yours,

SIGNED
